

## PLEASE READ CAREFULLY!

Due to the COVID-19 impacts on CSRIPS scheduling this year, a Fall Firefighter I & II day class has been added. Because of the delays in scheduling and the rapidly approaching start date, the application process is being modified for this class only. Please ready closely.

### Registration Process

The only registration that will open on Tuesday, September 1 at 10 am is for the Entrance PAT. Registration will be open from 10:00am until 12:00pm each day until all spots are filled with qualified candidates. A submitted application does not imply your acceptance into the program. Each application will be vetted appropriately. All applicants that wish to apply for the October Firefighter I & II class must register for and successfully complete this Entrance PAT. Space is limited.

The Entrance PAT will be held on Sunday, September 13<sup>th</sup>.

All students that successfully complete the Entrance PAT will be automatically enrolled into the Firefighter I & II day class. Upon enrollment into the class, the applicable fees and tuition will be applied to your account. All admissions requirements, fees and tuition will be due by Friday, September 18<sup>th</sup>. Should you not meet your application requirements including paying your fees and tuition by that date, you will be removed from the roster.

### Timeline of events.

1. **September 1 @ 10:00 am** Entrance PAT opens for registration
  - a. You will be required to upload the completed state medical form with your application. Without this, your application will not be accepted. Accepted students will be notified within 1 business day of applying. If you submit an application without the completed medical exam or an out of date medical exam, your application will be voided.
  - b. The Entrance PAT will be closed for registration once the capacity is met.
2. **September 13** – Accepted candidates attend the Entrance PAT
3. **September 14** – Students successfully completing the Entrance PAT will automatically be enrolled in the Firefighter I & II class that begins on October 6<sup>th</sup>.

Should the number of qualified students exceed the seat capacity of the class, the selection of students to be enrolled into the Firefighter I & II class will be based on the scores of the Entrance PAT. The remaining students who passed the Entrance PAT and were not selected for the Firefighter I & II class will have their MyCSRIPS accounts credited for the EPAT. If the student is intending on registering for a Winter 2021 Firefighter I & II class, the student will be required to take the EPAT again however may use the account credit to cover the tuition.

4. **September 18** by 5pm all students will be required to complete the following (instructions will be sent out on September 14 after enrollment is completed)
  - a. FCDICE Number
  - b. Tobacco Affidavit
  - c. Drivers' License
  - d. Diploma or Transcript
  - e. Pay fees and tuition for Firefighter I & II

Should you have any questions about this process, please email [csrips@coralsprings.org](mailto:csrips@coralsprings.org).
