### RETENTION / ATTRITION

The Retention threshold set by the CoAEMSP is 70% and based on the percentage of students enrolled in the Paramedic program who started on the enrollment date and graduated. The success of Retention will be computed using the total number of students that completed in the most recent reporting year (2019) and is calculated by determining Attrition (the number of students who dropped out divided by the total number of students enrolled). Once the Attrition percentage has been determined, then the Retention percentage is 100% minus the Attrition percentage. Programs must follow and report attrition/retention as specified by their sponsor institution policy. In situations where there is no sponsor institution policy, the program may not count students as attrition if they withdraw or are dropped from the program before a maximum of 25% of the total Paramedic educational program hours including all phases (i.e., didactic, lab, clinical, field experience, and capstone field internship) are concluded.

Manually Calculate Attrition/Retention Results:

$$\text{Attrition} = \frac{\text{Total \# of Academic Reasons} + \text{Non-academic Reasons}}{\text{Total \# of Students enrolled}}$$

$$\text{Retention} = 100\% - \text{Attrition}$$

Are results for both the National Registry & State Written Examinations being reported? No

Which written examination results are being reported? National Registry

<b>National Registry / State Written Examination</b>										
The National Registry Written Examination threshold is 70% (set by the National Registry) or the State Written Examination threshold is 70% (set by the State). The success of any examination results will be computed over the most recent reporting year (2019) based on the total number of graduates attempting the examination (i.e., unduplicated head count of attempters who pass).

<b>Positive (Job) Placement</b>										
The Positive (Job) Placement threshold set by the CoAEMSP is 70%. Positive (Job) Placement means that the graduate is employed full or part-time or volunteers in the profession or in a related field; or is continuing his/her education; or is serving in the military. A related field is one in which the individual is using cognitive, psychomotor, and affective competencies acquired in the Paramedic educational program.

<b>GRADUATE SURVEYS</b>										
For each group of graduating students, programs are required to conduct surveys intended for graduates who are employed and have been functioning as a Paramedic and their employers within 6-12 months after graduation using the CoAEMSP required graduate survey items.

**Provide a detailed ANALYSIS for Graduate Surveys in the box below**

The graduate surveys revealed the instructors are doing a great job in ensuring the students understand the material. The biggest complaint was how the labs rooms and equipment were set up or used. This was the first year the NREMT paramedic exam was the only exam our students could take for state certification.

**Provide a detailed ACTION PLAN for Graduate Surveys in the box below**

Completion of the graduate survey is not mandatory for our students, however, we strongly encourage their feedback. Our results are consolidated with our tracking for our other accreditation agencies. The lab rooms have been completely redesigned. Equipment is ordered and replaced in a timely fashion. Focus on pediatrics has improved from concerns in previous years. We have focused significantly on creating exams that are more like the NREMT paramedic exam. We are confident the passing rates will improve significantly. We have also added a review program for the NREMT exam.

**EMPLOYER SURVEYS**

For each group of graduating students, programs are required to conduct surveys intended for graduates who are employed and have been functioning as a Paramedic and their employers within 6-12 months after graduation using the CoAEMSP required employer survey items.

**Completion of the analysis and action plan boxes to the right are required ==>.**

**Provide a detailed ANALYSIS for Employer Surveys in the box below**

The feedback that we do receive from employers has been great. The local departments and EMS agencies are very happy with the education and training we provide to our students. We also participate in Occupational Advisory Committee (for our COE Accreditation) which also gives us feedback on our students.

**Provide a detailed ACTION PLAN for Employer Surveys in the box below**

Employers are satisfied with the caliber of student/paramedic we educated and train.

### Satellite Locations

**\*Satellite:** Paramedic program satellite(s) are off-campus location(s) that are advertised or otherwise made known to individuals outside the sponsor. The off-campus location(s) must offer all the professional didactic (which may include any distance education delivery modality) and laboratory content of the program. Satellite(s) are included in the CAAHEP accreditation of the sponsor and function under the direction of the Key Personnel of the program. The CoAEMSP may establish additional requirements that are consistent with CAAHEP Standards and policies.

Failure to obtain CoAEMSP approval for the satellite location(s) may result in Administrative Probation and may lead to a recommendation to CAAHEP for Withdrawal of Accreditation (see CoAEMSP Policy IIIXC).

**NOTE: Students at the satellite location(s) should be identified as a separate cohort(s) on the CoAEMSP Annual Report.**

In the current year (i.e.,2021), does the program operate any satellite locations?

Yes

Number of Satellites?

1

#### List All Active Satellite Locations

Satellite Name	State	Satellite located in the same state?

## RESOURCE ASSESSMENT

Accredited programs must conduct Resource Assessment at least annually (Standard IIID) and are required to complete a Resource Assessment Matrix (RAM) which includes ten (10) categories [Faculty, Medical Director, Support Personnel, Curriculum, Financial Resources, Facilities, Clinical Resources, Field Internship Resources, Learning Resources, and Physician Interaction]. If programs have identified deficiencies in resources, an action plan and follow up are required to address those deficiencies. The Advisory Committee should be involved in both assessing the resources and reviewing the result. All resource assessment documents (i.e. student and personnel surveys, matrix, and data collection spreadsheet) are located on the CoAEMSP website.

<http://coaemsp.org/Evaluations.htm>

Were all of the Resource Assessment Matrix [RAM] categories equal to or above 80% in 2019?

Yes

**Congratulations!! All Resource Assessment Matrix categories have been indicated as Met. Please scroll down to the General Information section below.**

## General Information

- 1) Total number of hours of instruction per student in 2019 (didactic, lab, clinical, field experience, and capstone field internship, all phases of your Paramedic educational program)  (hours)
- 2) Total number of hours students were required to successfully complete prior to graduation in each environment in 2019?
- |   |                                  |         |
|---|----------------------------------|---------|
| Clinical (in-hospital, clinics, etc.)     | <input type="text" value="200"/> | (hours) |
| Field Experience (not including Capstone) | <input type="text" value="216"/> | (hours) |
| Capstone Field Internship                 | <input type="text" value="144"/> | (hours) |
- 3) Total number of full-time educational faculty in the Paramedic educational program (including Program Director) in 2019?
- 4) On average, how many months were required for on-time successful completion of the Paramedic educational program in 2019?  (months)
- 5) Did the Paramedic educational program have a dedicated clinical coordinator (not including the Program Director) in 2019?
- 6) Which of the following simulation modalities did the Paramedic educational program use for training in 2019?
- |  |                                  |
|--|----------------------------------|
| Task trainers (for example, IV arm, intubation head)                   | <input type="text" value="Yes"/> |
| Simple manikin (for example, CPR manikin)                              | <input type="text" value="Yes"/> |
| Intermediate (non-programmable manikin with multiple simulation tasks) | <input type="text" value="Yes"/> |
| Advanced manikin (fully programmable)                                  | <input type="text" value="Yes"/> |
| Virtual reality training   | <input type="text" value="No"/>  |
- 7) For the 2019 graduating cohort, how was simulation used to substitute skills required in the clinical or field experiences? (not including capstone field internships)
- Of the following procedures, how often was simulation used to substitute skills required in clinical or field experiences in 2019?
- |                        |                                    |
|------------------------|------------------------------------|
| Pediatric intubation   | <input type="text" value="Often"/> |
| Intraosseous insertion | <input type="text" value="Often"/> |

Electrical therapy	Often
Supraglottic airway	Often
Childbirth	All of the time
Adult intubation	Often
Endotracheal suction	Often
Patient assessment (primary or secondary)	Sometimes
Intravenous access	Rarely
Medication administration	Sometimes
Patient interaction (e.g., professionalism, affect)	Rarely

8) Which of the following ranges most accurately reflected the Paramedic educational program's annual operating budget in 2019?

\$500,001 -  
\$1,000,000

- 9) Which professional award(s) did graduates attain upon completion of the Paramedic educational program in 2019? In addition, what percentage of students who graduated in 2019 earned the award identified?

Please note: All percentage cells must contain a number, should not be left blank, and cannot exceed 100%.

		Percentage of total graduates who received this award
Certificate/Diploma	<input type="text" value="Yes"/>	<input type="text" value="100"/> %

- 10) Has the Program Director attended ACCREDITCON?

- 11) Has any other personnel associated with the Paramedic educational program attend ACCREDITCON?

**List the name(s), title(s), and year(s) attended:**

Elizabeth Williams-Compliance manager 2019  
Phil Botting- Lead Instructor 2019

- 12) Has the Program Director attended a CAAHEP/CoAEMSP Accreditation Workshop?

**List the month/year(s) attended:**

February 2021 November 2020 April 2021

- 13) Has any other personnel associated with the Paramedic educational program attended a CAAHEP/CoAEMSP Accreditation Workshop?

**List the name(s), title(s), and month/year(s) attended:**

Elizabeth Williams- Compliance Manager February 2021

Which Month(s) Will Cohort(s) Begin in the 2021 Calendar Year?

January, April, July, October, and November

Which Month(s) Will Cohort(s) Graduate in the 2021 Calendar Year?

March, April, September, October, and December

Yes

By selecting "Yes", I attest that the information in this submission is true and correct, and an accurate description of the paramedic program.
