

CSRIPS STRATEGIC PLAN

2023 - 2028

Mission

To Educate... Facilitate... Motivate...

and prepare our students to proudly serve the community and continuously uphold our "Commitment to Excellence".

Vision

The Coral Springs Regional Institute of Public Safety will be the school of choice for not only students but also staff, instructors and agencies. Together, we will continue to achieve the premiere status as one of the top fire service training schools in the state dedicated to high standards and the pursuit of innovation.

Increase Academic Reach

Expanding training into surrounding counties will increase experience for students.

Investing in CSRIPS Future

Providing students with up to date equipment and innovative facility will increase student retention.

Creating the Educational Facility of Choice

Building the culture of Commitment to Excellence, make CSRIPS a top rated place to work.

Increase Financial Diversification

Leveraging all divisions of CSRIPS business to proactively address economic impacts.
