Section: Certificate Of Completion - EMT-Basic

Sub-section: Graduation Requirements

New Section:

Graduation Requirements

A Certificate of Completion is presented to students who have complied with the conditions noted previously and successfully facilitated the following:

1. Attended required class, lab, and externship hours
2. Passed all requirements noted in program length and content section
3. Complete all SOAP requirements
4. Complete all JBLearning requirements
5. Fulfilled all monetary obligations to the Coral Springs Regional Institute of Public Safety
6. Pass the final written comprehensive and practical exam.
7. Maintain a minimum grade average of 80% (B).

Students who receive an EMT-Basic Certificate of Completion from the Coral Springs Regional Institute of Public Safety may be eligible to take the following exams:

- National Registry of Emergency Medical Technician (NREMT)

Successful completion of the NREMT allows the student to apply for the Florida Emergency Medical Technical License to practice as a certified EMT-Basic in the State of Florida under a medical directors' approval, as outlined by State of Florida Bureau of Emergency Medical Services.

Students wishing to practice in another state must comply with that state's regulatory policy.
